Llevo 40 años de profesor de Proyectos y Proyectar una Escuela de Arquitectura para un profesor de proyectos, es un regalo estupendo.

Poder crear los espacios más adecuados para la enseñanza, el poder materializar todos los sueños que con la experiencia, han pasado siempre por mi cabeza. "Yo haría esta clase así," pues ahora sí la oportunidad de hacerlo y así construirlo.

Quería una Escuela muy luminosa, muy abierta. Proyectar es pensar y confrontar los pensamientos con lo decidí un sistema casi fractico.

cantico Espiritual
de S. Juan de la +

mil gracias derramando
pasó por estos sotos con presura
e, yéndolos mirando,
con sola su figura
vestidos los dejó de hermosura.
heridos los dejó de su hermosura

¡ay! ¿quién podrá sanarme?
